

Advent 2021

Christmas Acrostic Poetry

An acrostic is a particular way of writing a poem. They are written using the first letter of each line which then creates a word or phrase going down the page. Each line can then contain a word, phrase or sentence to make up a poem. They can rhyme but they certainly don't have to. Take a look at some examples below and then see if you can create your own using our Acrostic Poem Christmas worksheets.

They can include just one or two words for each line.....

Angels
Divine
Voice
Emmanuel's
Nativity
Triumphantly

Or they can include full sentences.....

Carols sound sweetly
Heaven to the ears,
Rejoice, rejoice!
Ice crystallises as
Snow falls softly, both
Twinkling in the moonlight.
Midnight strikes the clock but
All is calm and all is bright;
Seaon's greetings one and all.
